Dear President Obama,

In 2007, the United States and Israel signed an agreement to increase U.S. military aid to Israel by 25% over the next ten years, totaling \$30 billion. Israel, the largest recipient of U.S. military aid, misuses U.S. weapons in violation of the Arms Export Control and Foreign Assistance Acts to commit human rights abuses against Palestinians in the course of its illegal 44-year military occupation of the Palestinian West Bank, East Jerusalem, and Gaza Strip.

Instead of funding Israel's human rights abuses of Palestinians, I urge you to cut off military aid to Israel and redirect this money toward unmet domestic needs. Military aid to Israel comes at a financial and moral price that we can't afford.
